CONDITIONS OF ENTRY AND INFORMATION	
Vehicle Condition	All vehicles entered for the National Rally must be in a roadworthy condition and taxed (not SORN). Valid insurance policies must be in place for both the vehicle itself and the designated driver.
Safety Instructions	The ATDC relies on our members' experience to maintain event safety. However, familiarity can lead to a lapse in concentration, and organisers cannot assume common sense will always prevail. We request that all participants remain alert and safety-conscious throughout the event.
Driving and Vehicle Safety	To ensure the safe enjoyment of the event, please follow these guidelines: YOU MUST: - Obey the instructions of the rally marshals at all times - Ensure your vehicle has no fuel leaks - Maintain the 5mph speed limit (walking pace) on site - If moving your vehicle after dark, do so with extreme caution YOU MUST NOT: - Refuel your vehicle within the rally venue grounds - Drink and drive above the legal limit for alcohol Allow unlicensed or uninsured drivers to operate your vehicle YOU SHOULD: - Use designated movement routes and minimise driving on the rally field. - Avoid reversing on the rally field where possible - Be aware of your surroundings, especially pedestrians at all times
Pets	Dogs are allowed in the grounds of the event but must be kept on leads, and all waste must be cleared up. There is zero tolerance for dogs being kept in cars at any time of year, regardless of windows being left open or regular checks.
Food and Drink	All meals must be booked and paid for in advance. Meal vouchers and menu choices will be included in your rally pack and are non-transferable. Tea and coffee will be available all weekend for a donation, and the on-site licensed bar will open at selected times.
Smoking	No smoking or e-cigarettes in buildings, marquees or other confined spaces.
